

The 3rd International Workshop on Artificial Intelligence, Mechanical and Civil Engineering (AIMCE'27)

Online participation

Deadline for presentation videos: 20 March 2027

GENERAL INSTRUCTIONS FOR VIDEO-PRESENTATIONS

AIMCE'27 will be held in a hybrid format, allowing authors to present their work either in person or online. In-person participation is strongly encouraged whenever at least one author of the submitted paper is able to attend the workshop on-site. For authors presenting remotely, the presentation may be delivered live online or submitted as a pre-recorded video, which will be played during the corresponding session for participants attending the conference in person.

Authors may deliver their presentations in either of the official workshop languages: English or French. However, authors are strongly encouraged to prepare their presentation slides in English to facilitate understanding and ensure accessibility for all AIMCE'27 participants.

Instructions for recording your presentation with PowerPoint:

<https://www.youtube.com/watch?v=bP9VJ03s8Gw>

Guidelines for preparing your video:

- Duration (Regular Lecture Presentations): 10 minutes min
- Duration (Poster Presentations): 5 minutes max
- File size: 300MB max
- Video file format: mp4

Online submission via email : aimce24@gmail.com.
